B. Require the identification of livestock and poultry for inspection purposes and the marking and labeling of livestock products or poultry products or their containers, or both, as "Maine Inspected and Passed" if the products are not found upon inspection to be adulterated and "Maine Inspected and Condemned" if they are found upon inspection to be adulterated and the destruction for food purposes of all the condemned products under the supervision of an inspector; [1999, c. 777, §1 (NEW).]

F. Adopt by reference, or otherwise, provisions of the rules under the federal acts with changes as the commissioner determines appropriate to make those provisions applicable to operations and transactions subject to this chapter that have the same effect as if adopted under this chapter.
